Every now and again in this business you come across a girl who, as soon as you meet her, makes your hair (amongst other things) stand on end. A girl who, while having a nice personality and all that (yada yada), basically looks like she was born to fuck. Obviously the fact that we've been featuring Stella regularly means that you've probably been a bit spoilt when it comes to that sort of thing, but I reckon Cherry here's got exactly that magic about her as well. As soon as she walked into the room all you could hear was jaws hitting the ground and (if you listened very carefully) boxers suddenly tightening, and man, did she know it! She's a very busy girl, but I'm hoping to tempt her back to Club before long, so watch this space. Meanwhile, with the likes of Sarah, Jody, Sahara and the ever-horny Stella to keep her company, I reckon we've got a mag to keep you more than happy till next month! – The Ed. ♣

THE PEARLY GATES

I want to tell you about the best sexual experience I have ever enjoyed. I was 31 at the time, and single, then I met a beautiful Brazilian girl of 19.

At the time, I was studying for a Masters and Luiza was studying Architecture, though not at the same university. We were working at the same restaurant to supplement our university fees. Secretly at first, then quite boldly, we had been admiring each other for a couple of weeks – the sexual tension between us was immense.

Luiza is 5'6 with the most magnificent arse and huge natural breasts. The first time I laid eyes on her I wanted to fuck her and it was clear there was an instant sexual chemistry between us, so one slow night at work we exchanged the most erotic kiss, licking each other's lips and plunging our tongues deep into each other's mouths – my seven inches became rock hard, as you can imagine.

The restaurant had a deserted cellar where they kept the

wines and we sloped off down there as quickly as possible. My heart was pounding, my dick rock hard with excitement, as we started kissing again in the soft light. Luiza pulled off my jeans and began to suck my fat cock. Slowly pulling back my foreskin, she placed her lips over my bell-end and licked my balls, running her tongue up and down my cock and taking it fully into her mouth.

Her blowie was unbelievable and she took my entire length all the way to the back of her throat

and then dragged it back out over her tongue, saying what a beautiful cock it was and groaning with desire. I was more than ready for her pussy.

Slowly, I pulled down her jeans, which revealed a red pair of panties, wet at the crotch. In my passion I ripped off her knickers to find her dark, hairy pussy – perfect. Paradise! I was rock hard and ready for those pearly gates.

I laid her down on the cold stone ground and licked at her snizz, sucking on her clit and probing her hole with my tongue as she wrapped her legs around my head, her red panties dangling from her left foot.

Her pussy tasted great and spurred me on to turn her round and bend her over – she was only too willing to get down on all fours. I eased my throbbing dick into her tight cunt very slowly, enjoying the clutch of her moist pussy as I filled her with my prick. As I began to accelerate my thrusting, Luiza cried out my name groaning and pushing back at me. How nobody upstairs never heard her cries or the sound of my balls slapping against her I'll never know. Moreover, when she came she screamed her head off, but I was not finished yet.

I pumped my rod into her for a good 15

minutes, strangely calm in front of and deep inside such a beautiful pussy and fantastic spread arse, until my cock had never been so hard nor my excitement so extreme. My solid fucking had brought Luiza back to a state of climactic arousal and she began again to call out my name when I started to caress her nipples, pulling on them and squeezing.

Slapping her arse, we both came together, me pumping my spunk deep inside her pussy.

BACK TO (NEARLY) BLACK

Good to see Jo back in *Club* again, we nearly didn't recognise her now she's gone brunette, but she's still one hell of a sexy piece of ass!

Send her our love and hard-ons and tell her the lads in Iraq would love to meet her for a bit of R&R!

Pte. C Jones, Royal Tank Regiment

HAIR HAVE I SEEN HER BEFORE?

For years, every time I looked at Stella there was something about her that I just couldn't put my finger on (well, there was all of her that I would have loved to have put all of my fingers on but you get the point), and then I saw her in the last issue (*Club* 37/7) and it all became apparent – she looks just like my first university fuck!

It was the change of hairstyle that did it. The first bird I shagged at uni had exactly the same kind of flowing curls with the same mouth and eyes, though I would never have got it if she hadn't done her hair that way.

Anyway, this bird was incredible, really showed me that there's more to sex than the missionary position and that girls like it too! So don't you dare get rid of Stella, she's the best!

Rob, Widnes

Returning to work with the veneer of sexual activity on our skins, we spent the rest of the shift glancing at each other or stealing illicit touches when nobody was looking, and then, at the end of the night, Luiza walked me home, but we didn't get home. Once again, she went down on me, taking my helmet into her mouth and running her tongue down the underside of my shaft until she was licking my sack. I fucked her mouth like this until I came again, shooting my load inside her lips and marvelling as she swallowed it all.

We fuck whenever we get the chance now, and always Luiza likes it

We'd all like to see this cutie glazed!

PHOTOS: SCOTT WARD

We've been trying to track Cherry down for quite some time now, because we reckon she's got just about everything you could hope for in a Club girl. So why the delays?

"Oh, you know – I guess I'm a busy girl, and obviously you weren't persuasive enough in the beginning!" Not persuasive enough? Good Lord, girl, don't you realise what an honour it is to be asked to appear in Club International? Most of the time we're beating them off with a stick, so what makes you think you can come over all snooty?!

"What, apart from this face, this body, this arse and this cute little snatch of mine, you mean?"

Hmm, fair point, we guess... ♣

TOP TEN...

HISTORICAL PLACES TO SHAG IN THE U.K.

1) Stonehenge

This big pile of intriguingly arranged rocks is a designated world heritage site on Salisbury Plain, Wiltshire, and dates from prehistoric times. Let your missus bring out the caveman in you and slam her on a slab.

2) Cambridge University

An ideal choice for fuckers with cerebral aspirations. Alternatively, if it's water sports that floats your boat, you can shunt cunt and punt on the river.

3) Hadrian's Wall

Thanks to this fabulous Roman construction, you can have her up against a wall anywhere from Wallsend to the Solway Firth.

4) The Home of Mary Arden

The where of whom? Why, wee Willy Shakespeare's mother's house in Stratford-upon-Avon, Warwickshire, of course, you utter philistine! If you're really looking to impress the little lady, why not hide in a cupboard till they shut the place up for the night, then bung the bird a length in the birth-bed of the Bard.

5) The Tower of London

Not everyone's first choice for a tryst, but mention Beef-Eaters enough and she'll get the general idea.

6) Banbury

This Oxfordshire town is a top choice due to its filthy "Ride A Cock Horse" connotations.

7) Blenheim Palace

Against this backdrop of pomp, circumstance and majesty, on 30th November 1874, Britain's booziest wartime PM came into existence. Winston Churchill entertained a lifelong love for his birthplace, and it was in the gardens of Blenheim at the Temple of Diana that he proposed to Clementine Hozier. If you want to know why, drink 16 brandies and then look at a portrait of her turned upside down.

8) The Edinburgh Mound

No particular reason, except its name is quite suggestive and may put her in the mood.

9) Glastonbury

It's got a tor. It looks like a big cock. Fuck her at the top in a druid's frock.

10) The Edinburgh Vaults

It's dark in here, as dark as the inside of her arse, which is where you should shag her if you end up here.

from behind, it's so she can get as much of my cock inside her as possible, she says, and I for one am not going to argue with her about it!

HE SHOOTS, SHE SCORES!

The best thing about the Euro 2008 fiasco, as far as my old lady was concerned, was that she didn't have to suffer weeks of watching footie.

At least, that's what she thought, until she came home on the first Saturday to find me plonked in front of the goggle box with a tower of lager beside me!

Good on her though, because instead of stomping off in a girlie huff, Rachel decided to see if she could stop me watching the games using a more positive approach – she stripped provocatively in front of me, the TV behind her, until I'd lost all interest in the match and found myself slipping down onto the floor to get a

A TASTY TRIO

Holy shit, that set of Boroka, Candy and Cayenne! Are they not the sexiest, most edible hunnies you have ever seen?

And is Boroka not the hottest little cutie pie you've ever wanted to eat? I've seen her in a few movies and I tell you she is something else, a lover of pussy eating and a diamond cock sucker! I checked out your website because of that set and I was not disappointed, those hardcore pics of these three eating each other out and fingering each other's pussies were magnificent!

We want to see more of Boroka and we want it now!

Jerry, Rickmansworth

Club says: Hold onto your cocks, Boroka's coming your way, real soon!

RAY OF LIGHT

How apt a name is Summer (*Club 37/7*) for such a ray of sunshine that girl is?

Thanks for the pictures of her, she lit up my life! It reminded me of a girl I was once seeing, called Penny Goodhead – her name was also extremely apt because she just could not have sex without going down on you first.

She said it actually made her more horny having a dick get rock in her mouth and I never felt like challenging her, but I'll tell you one thing, a girl who loves to suck cocks loves it even more when she gets showered in spunk – I can count the number of times I didn't come on her face on the fingers of my left hand!

Hank, Faversham

Club says: We know a guy named Richard Head, and just like your Penny his name is spot on!

better view of Rachel's just shaved cunt. She straddled my face and I licked at her snatch as I struggled to get my trousers undone and my throbbing dick out – it looked pretty good with the green glow of the pitch behind it, but that was the last I saw of any football that day.

Rachel pulled me up to my feet and led me off to the bedroom by my cock, tickling my balls along the way. She climbed up on all fours on the bed and said, "Do you want to go and watch the football, or are you going to fuck this?" reaching back to

IN THIS MONTH...

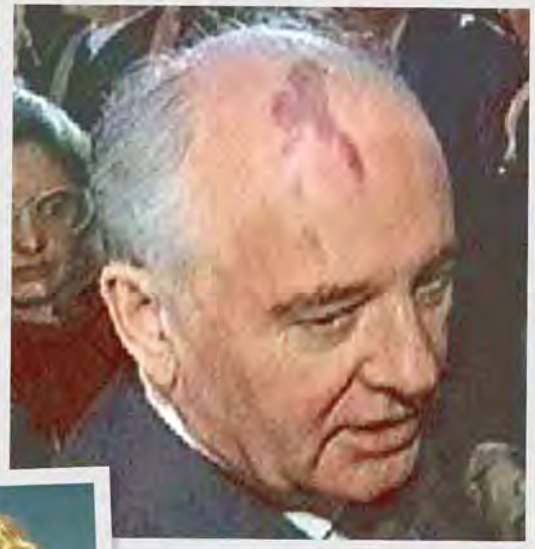

17 YEARS AGO:

1991. Stepping out of the shower while holidaying in the Crimea, Soviet President Mikhail Gorbachev is unexpectedly wrestled onto the living room sofa by a number of his trusted lieutenants and placed under house arrest while a coup, led by Vice President Gennady Yanayev and seven other hard-liners, fights to take over the USSR.

For the next 72 hours Gorbachev and his captors stare big Russian daggers at each other. Gorbachev demands to know what is happening in Moscow, and the turncoats holding him prisoner – aware that their plans are unravelling – attempt to distract Gorby by asking him where he came by the large port-wine stain on his napper.

When the coup eventually loses momentum and fails, Gorbachev is released. But too late! – the Soviet Union is doomed. Over the next few weeks the USSR breaks apart, involuntarily shedding the Ukraine, Belarus, Moldova, Azerbaijan, Kyrgyzstan, Uzbekistan, Estonia and Latvia.

Which, if nothing else, has done wonders for raising staffing levels in the fruit picking industry over here and filling the brothels with thousands of hookers named Kerlinka.

of considerable suspicion. His unsolicited public declaration, as long ago as 1974, that “he would have liked to have known” her, but that “he was just a kid” have raised more than a few eyebrows over the years, as has his insider knowledge of the crime scene: to wit, “Marilyn was found in the nude”.

Given that Sir John characterises himself as a minor at the time of Monroe’s demise, many investigators

have questioned his mysterious reference to “the young man in the 22nd row” who, according to Sir Elton, looked on the dead woman as “more than something sexual, more than just our Marilyn Monroe”.

At time of writing this man has never been identified, nor has the theatre in which John reports him as sitting. And why the 22nd row? The positioning suggests some sort of vantage point with a commanding field of fire,

“Is it possible the real cause of Marilyn’s demise was drowning?”

46 YEARS AGO:

1962. Film actress Marilyn Monroe is found dead in her Los Angeles home... after apparently overdosing on sleeping pills. It remains one of the most controversial deaths of all time. Later that very same day, however, the South African government arrests Nelson Mandela.

Coincidence? To many it seemed so at the time. Certainly 25 years of subsequent captivity did not loosen Nelson’s tongue sufficiently to provide more information on Marilyn’s supposed “death”. Did Winnie Mandela consider Norma Jean a rival for her husband’s affections?

As for Sir Elton John, his part in the drama remains prominent, ambiguous and the source

does it not? Was this the assassin? Or was he merely one of the many people Sir Elton describes Monroe as “never knowing who to turn to when the rain came in”?

And what’s all this about rain and it “coming in”? Is it possible that the real cause of Marilyn’s demise was drowning? Or, perhaps more realistic, allowing for the repeated references to candles and a through-draft, did she burn to death? If so, this begs a new question: how long it took the last candle to burn out before the legend ever did?

Only Time, Nelson and Winnie – and, perhaps, publicity-shy former Elton John lyricist Bernie Taupin – can get to the bottom of this mystery. And, perhaps not surprisingly, none of them are talking...

Any steam you see rising in this shower isn't coming from the hot water – that's heat rising straight off the scorching hot Sahara!

And no, your eyes are not deceiving you, she isn't a mirage, she's 100% real.

"Don't you find that at this time of the year they days are too hot?" she purred. "I have to strip off every day and get in a cold shower just to cool off. If I don't I reach the point of no return and then I get all funny and have to go out and find myself a lover for the night until my heat lust is satisfied."

Er, does anyone know how you turn off the cold water round here?

I'm not letting you come all over me and then fuck off back to the match and leave me to it – I want an orgasm honey!"

Come all over her!? Result! I was more than happy to plate her if a facial was on the cards.

Getting down to it, I held her labia apart and began to lick and kiss her slit, teasing my tongue up to her clit and sucking it into my mouth. Then, when she was ready for it, I pushed my tongue inside her twat and fucked her with it until she was making so much noise I knew she was ready for cock.

I told her to get back on her knees and began to pump into her from behind, harder and faster as she came all over my cock, and when she had got her rocks off I pulled out of her snatch and told her to get ready because I was going to come all over her face.

True to her word, Rachel knelt in front of me and sucked on my pole, wanking my shaft hard and fast until I shouted I was going to come, and then she wanked me furiously into her own face, her mouth wide open as my dick shot jets of spunk all over her! It was in her hair, over her eyelids, across her cheek and nestling on her tongue – which she greedily swallowed.

"Fuck me like that every time and you can come on me every time there's a game on," she offered. I missed every single game of that tourney, but it was one of the best Championships ever!

Richard Quest: putting the 'w' into 'anchor'?

CHOKING FOR IT

American TV personality and news anchor Richard Quest was recently arrested in New York City's Central Park with drugs in his pocket and a rope around his neck tied to his genitals. Protracted questioning by city authorities failed to elicit from Mr Quest a satisfactory explanation as to the purpose of the rope.

And in an equally bizarre erotic-asphyxiation type incident in Illinois, firefighters responding to a burning house in Crystal Lake were told by three people fleeing the conflagration that another man was in the basement "chained by his neck to a post". When rescued, the man with his neck chained to the post denied that anything was wrong. A bewildered deputy police chief told reporters: "We're not really sure what everyone's relationship in this is."

The investigation continues.

YOUTUBE GAPE JAPE TURNS NASTY

Officials at Vicente Sotto Memorial Medical Centre in Cebu City, Philippines, were recently obliged to apologise for the disgraceful misconduct of at least six of its doctors and other personnel who made a video while performing surgery on a man with a perfume canister stuck up his arsehole. The medicos, who can be seen in the video laughing raucously and pointing at the patient's anus, later uploaded the footage to YouTube, where it became an instant viral hit around the globe.

DUMB AS THEY COME

When mad-mental 46-year-old Oklahoma burglar Robert Horsley allegedly tried to come through a window in the Bartlesville home of a 95-year-old woman, his ancient

victim grabbed a screwdriver and continued to stab his hand every time he reached inside. Horsley, who is plainly not the brightest, kept reaching inside. By the time the cops showed up, according to officer Tom Holland: "Horsley's hand was chewed up. One knuckle was almost gone."

In the same week in Seattle, Washington State, a 20-year-old man blew his balls off when he stuffed a loaded shotgun (which he had allegedly just stolen) inside his trousers without due care and attention.

FIST ACTION FIASCOS

John Hartley, a political candidate for San Diego City Council, has insisted he will stay in the race despite his recent arrest (and no-contest plea) after two women said they saw him parked in front of their house one evening masturbating into a cup.

In his defence, Hartley replied candidly that "it had been a long day of campaigning" and stressful into the bargain. It was only natural that he needed to blow off steam.

Also caught stroking in public was a 26-year-old driver, who was arrested in Bay County, Florida, after other motorists spotted him squatting by the side of a road wanking like his life depended on it, his eyes rolling back into his head with the effort. According to the filed police report, the man said he had just left work and explained that "he needed some personal time with himself that he could not have at home."

WET OR DRY?

We're talking wines here, not pussy!

PHOTOS: STEVE COLBY

You've got to have a fine, delicate nose to be able to judge a wine, and Evelyn and Jan have the finest pair of noses we've ever come across.

But just how skilled are they as wine tasters, we asked ourselves. So we gave them a couple of bottles of plonk to find out. Only the girls weren't as interested as us in their wine tasting abilities, preferring to taste each other's pussies after a few glasses, discussing with each other how different they tasted and sampling their own quim juice from the other's fingers.

Now, we could have slammed our fists down on the table and demanded they drank the fucking wine we just shelled out for and told us what it was fucking like, but there's something mesmerising about watching a hot babe like Jan dipping her tongue in Evelyn's cunt and saying she could taste a hint of cock...

"That would be the dick I was riding this morning!" laughed Evelyn. ♣

Want to save the Earth, but don't really have that Flash Gordon get-up-and-go? Well don't worry, you can still do you bit while sitting on your arse. Get in!

I don't know about you, but I feel constantly pressured these days to be 'environmentally conscious' by smug green bastards. But, despite the utter hatefulness of their holier-than-thou approach to everything from shopping to shitting, there can be no denying (unless you're a bit David Irving) that, yes, the water is looking a bit poisonous, the air is getting hard to breathe and something has to be done. If the world is going to turn to shit and acid rain

from the sky, you'd better make sure your first green gadget purchase will help you gather more without ever having to leave your house/ark. Hello, the *Asus EcoBook*. On the inside, it's an all-singing, all dancing laptop that'll do all the usual jiggery-pokery... but is clad not in rubbish planet-killing plastic, but in all-natural, Panda-beloved bamboo. Which, as we all know is a grass, not a wood.

Due for release next year, the actual spec will, of course, vary (as will the price) but one thing Asus do guarantee us is that the *EcoBook* with all it's power-saving wotnots and green, green grass of home shell will be the most

environmentally friendly lappy out there. Think of it as like severing the small toe off of your carbon footprint.

Husqvarna Automower

Price: £1500-2500

More grass now, but not the being turned into a laptop type, but rather the being trimmed to make the place a much more sightly type. Yup, maybe we can't hose our gardens any more due to Thames Water spunking all our H2O away through broken pipes, but we can still mow our lawns and behave like Brits. And now it's eco-friendly and green too, thanks to this nifty nugget from the land of porn and suicide, Sweden.

Designed by the Vikings and built right here in Blighty from 90% recyclable material, you simply lay a boundary cable, toss the thing into the midst of your jungle and, using the awesome power of the sun to charge, it'll then

automatically set about cutting your grass down to size and even reduces the clippings to a fine mulch that fertilisers the lawn and means no raking!

The revolution may not be televised, but the slow death of the planet is bound to be – and it'll be the greatest show on Earth! So thank the gods that so clearly want to destroy us that we'll still be able to enjoy the idiot box while it all turns to absolute shit! How? With the *Philips Eco FlatTV*.

Packed with

power-saving features, including dimming technology that reduces power usage without effecting picture quality, and a light sensor that measures ambient light and adjusts the backlight accordingly, when on standby, the *Eco FlatTV* consumes just a feeble 0.15W of energy. Add to all that lead-free components and the fact that the manuals

and packaging are made out of recycled materials and, even if you're sat chuckling to yourself as the news shows another golf course being swept away, you can relax, safe in the knowledge that it wasn't your fault!

Baylis Eco Media Player

Price: around £170

www.trevorbaylisbrands.com

Hate Apple, like portable music and video, and want to help save the world? Well, firstly, the world belongs to Apple, so get used to it. Secondly, thanks to English inventor Trevor Baylis, you can now enjoy all the benefits of digital music and video on the move without having to use any electricity. Witchcraft? Perhaps. Or is it Trevor's very clever clockwork engineering? Well, in order to break the suspense quickly, it's the latter. Yep, Trev's player gives you music, video, radio and the ability to browse your digital snaps, has a 1.8-inch colour LCD display and yet requires nothing but winding for operation. Clever Trevor. A one minute crank will give you 40-minutes of play whilst, fully charged, you'll get 20-hours of music or 10-hours of video. Just the thing to keep you distracted as the Earth boils away into space! ♣

Do you ever get those days where, no matter what you do, you just can't stop feeling horny?

I woke up this morning and was randy before I'd even opened my eyes – but then, playing with yourself in bed first thing in the morning is so pleasurable, don't you think? It sets you up for a day spent undressing people with your eyes...

When I'm this horny I'm usually on the look out for guys checking me out because I get a little bit wetter knowing exactly which guys I pass in the street have got the hots for me – you can almost feel them peeling off your dress and slipping their fingers inside your panties.

On a day like today, if I don't get me some action by lunch I'm liable to buy myself a brand new toy and go home early just to get the thought of fucking out of mind for a few hours – long enough to get ready for a night on the tiles. You never know, maybe I'll see you there! ♣

Mother's Little Helper

At long last – it's the car we've all been waiting for... an off-road coupe! Er, hang on...

Thank God for 11 years of New Labour's determined widening of the gap between the rich and poor in this country. It's ensured that despite the credit crunch and the looming recession the yummy mummy is going nowhere, and that manufacturers such as BMW can continue to cash in on the success of its SUVs. The German brand's X5 is one of the most common sights clogging up the roads around league table-topping private schools, and now, the X5 has got a curvier brother. BMW has unleashed the X6 to the UK market – and it looks a guaranteed hit, despite the spiralling price of fuel.

The newcomer is being described as an off-road coupe. Viewed from the front, it's a carbon copy of the latest X5, albeit with big air intakes hinting at the performance potential. But move around the side, and it gets a whole lot weirder. The roof curves down to the bulbous rear end and the side windows at the back are tiny. It's like it's from another world.

Mind you, it does deliver on the promise of

its streamlined looks. While the X5 was already regarded as one of the best handling SUVs on the market, the X6 takes things a step further. BMW's engineers are famed for their ability to push the envelope, and the X6 is the first model to benefit from the new Dynamic Performance Control system. This incorporates an ingenious multi-clutch differential.

Conventional set-ups waste power through wheelspin in corners and limited slip diffs lose out as one wheel is locked to transfer drive to the side with more grip. But this serves up the best of both worlds, as an inside

wheel is still permitted to deliver performance while more drive is sent to the outside rim. As with many of the driver aids BMW has pioneered, it works seamlessly. And it helps that the system operates in tandem with one of the best stability packages around. The result is surprisingly precise handling – in testing, the X6 50i has lapped the Nordschleife of the Nürburgring in 8.35 minutes. That's faster than a Maserati 3200 GT.

BMW X6

Engines: 3.0-litre 6cyl turbo and twin-turbo diesels; 3.0-litre 6cyl petrol; 4.4-litre V8 petrol

Power: 235bhp; 286bhp; 306bhp; 408bhp • **Prices:** From £41,965 • **Contact:** 0800 325600 or www.bmw.co.uk

Wonderfully communicative steering and instant responses also come as standard, making the car real fun on a quiet Sunday morning back road blast. And the few owners who actually take their cars off the tarmac and onto the dirt will be impressed, too. BMW's tried and tested xDrive all-wheel-drive system provides a decent level of mud-plugging ability.

Practicality suffers at the hands of the wacky styling. The X5 can be specified with seven seats where the newcomer has space for only four. And what's more, those passengers in the rear will find headroom is restricted by that sloping roof. Outright boot capacity is also reduced in the pursuit of more stylish looks – the X6 provides 570 litres to the X5's 620 litres.

Up front, the

cabin is as strong as ever – and you'll think you're sitting in an X5, as the layout is carried over pretty much in its entirety. That means solid construction, a high-quality finish, decent comfort and a commanding view of the road as part of the fantastic driving position.

Buyers have a wide choice of petrol and diesel engines, all of which are turbocharged, and a hybrid model is in the pipeline. BMW's Efficient Dynamics package – which incorporates brake energy regeneration and the use of low-viscosity oil – shaves a little off the fuel consumption and CO2 emissions figures. But owners won't get a Christmas card from a tree hugger, as even the cleanest 235bhp 30d diesel model emits 217g/km and returns 34.4mpg combined.

Plump for the utterly mental top-spec

50i, on sale in

November, and you are looking at 299g/km and 22.6mpg.

Whichever model you go for, the X6 is an immense performer. The suspension technology is impressive. Yet if you wait a

few months, it's likely to filter down to other models, so it's difficult to see this BMW as anything other than a cynical attempt to create a new niche: this is the hairdresser's SUV. And the styling really is an acquired taste, too. All in all, the X6 seems to be the answer to a question nobody was asking. ♣

The next time you find yourself a little down in the dumps get yourself down to Gina's bar – if the drinks don't perk you up, the bar staff definitely will!

"I've been mixing cocktails for about a year now so I'm quite good at it," said Gina, who works in a little bar in Manchester. "I love my job, you get to meet all kinds of people you wouldn't normally meet and they are always impressed with my bottle juggling skills."

Are these the only juggling skills you've got Gina?

"What do you mean?"

Well, a little bird told us that you don't just juggle bottles...

"Who told you that!? Okay, I once took two lads home with me because their footie team had lost that day and they were so down in the dumps even my extra-special cocktails didn't lift their spirits! So yes, I can juggle cocks as well as bottles, is that what you meant?" It is now! ♣

JAMMED IN A PICKLE

Don worked in a pickle factory. He had been employed there for most of his adult life when he one day came home to confess to his wife a terrible compulsion – an overwhelming urge to stick his penis into the pickle slicer. His wife suggested that he should see a sex therapist to talk about it, but Don said he'd be too embarrassed. He vowed to overcome the compulsion on his own.

Then one day, a few weeks later, Don came home utterly ashamed. His wife could see at once that something was up. "What's wrong, Don?" she asked.

"Remember I told you about my urge and the pickle slicer?"

"Oh, Don, you didn't."

"Yes, I did."

"My God, Don, what happened?"

"I got fired."

"No, Don, I mean, what happened with the pickle slicer?"

"Oh. Yeah. She got the sack too."

Bob, Staffs

BLACK BALLED

A male patient is lying in bed in hospital, wearing an oxygen mask. A young student nurse is giving him a sponge bath.

"Nurse", he mumbles, from behind the mask. "Are my testicles black?"

Embarrassed, the young nurse replies, "I don't know, sir, I haven't got there yet."

He struggles to ask again, "Nurse, please check. Are my testicles black?"

Concerned

that he may elevate his blood pressure from worry, she overcomes her embarrassment and pulls back the covers. She raises his gown, holds his manhood in one hand and his testicles in the other. Then she takes a close look and says. "They're fine!" The man pulls off his oxygen mask, smiles at her and says very slowly. "Thank you very much. That was wonderful, but, listen very, very closely..."

"Are my

test results back?"

ASSUME THE POSITION

Three women were at the gynaecologist's having pre-natal checks. The doctor asked the first woman, "In what position was the baby conceived?"

"He was on top," she replied.

"You will have a boy!" the doctor exclaimed.

The second woman was asked the same question.

"I was on top," came the

reply this time.

"You will have a baby girl," said the doctor.

With this, the third woman, a blonde, burst into tears.

"What's the matter?" asked the doc.

"I think I'm having puppies!"

Darren, Littlehampton

THAT'S A BABY!?

A woman got on a bus holding a baby. The bus driver said: "That's the ugliest baby I've ever seen." In a huff, the woman slammed down her fare and sat down near the rear of the bus. The man seated next to her sensed that she was agitated and asked her what was wrong.

"The bus driver insulted me," she fumed.

The man sympathised and said "A public servant and shouldn't say things to insult passengers."

"You're right," she said. "I think I'll go back up there and give him a piece of my mind."

"That's a good idea," the man said. "Here, let me hold your monkey."

PRIZE JOKE!

ROBOTTY SEX

Two friends meet in an office.

"Alright mate, how's tricks?" says the office owner.

"All good. Congratulations, bye the way, that new secretary of yours is beautiful!"

"Well, I'm glad you like her. Believe it or not, she's a robot!"

"Fuck off she is!"

"No, seriously, she's the latest model from Japan. If you squeeze her left tit, she takes dictation. Squeeze her right tit, she types a letter. And that's

not all, she can have sex, too!"

"Unbe-fucking-lievable! You're kidding, right?"

"On my mother's life, I swear it's true. Tell you what, you can even borrow her."

So his friend takes her into the bogs and is in there with her for a while when suddenly his screams pierce the air. "Argh! Get it off me!" he bellows from behind the door.

"Shit!" says the guy in his office. "I forgot to tell him her arse is a pencil sharpener!"

HIDE AND SUCK!

Come and find me – then come again!

PHOTOS: A HAYEK

Watch out for Sarah, fellas, she's a bit of a handful (*not to mention a sackful!* – Ed).

"I'm really into playing tricks on people," she smirked. "Especially my current boyfriend. He always gets home after me so I often hide somewhere in the house, waiting for him to get home. Then, when he thinks he's alone and is in the kitchen or wherever, I spring out and scare the shit out of him! But the thing is, I find being in cramped conditions a bit of a turn-on and I end up fantasising about sex as I hide in the cupboard. That's when I call out to him to come and find me, and he knows how to look for me – with his cock!"

Erm, is that actually possible, looking for someone with your dick?

"It is in my house; all you have to do is stick a nice, juicy hard-on in the cupboard and you'll know if I'm there or not when you take it back out. No saliva, no Sarah!" ♣

WHAT'S SHE LIKE? Bubbly

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

I'm not ashamed of my body and I don't think anyone should be – we should all flaunt it while we've got it!

TELL US A FANTASY

I've always liked the idea of getting fucked by three men. Just the thought of having a dick in every hole gets me wet whenever I think about it!

WHAT'S YOUR MOST EXCITING SEXUAL EXPERIENCE?

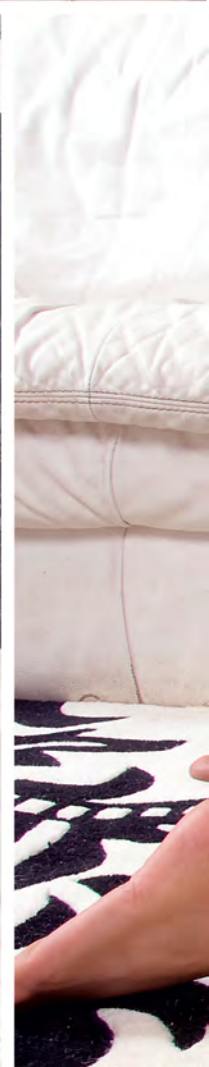

I was at a club last year and I met this guy I really had the hots for so I took him into the toilets and sucked him off, then I met another guy on the way out and took him in there too – when I'm horny, sucking cock feels great!

ARE YOU HORNY RIGHT NOW?

Well, let me see, I'm naked, I'm touching my pussy and you are taking pictures of me – I'm so horny that I would suck the first cock you waved in front of my face! And the second one, and the third. I could suck a whole army of cocks right now!

IF A READER RECOGNISED YOU TOMORROW AND CHATTED YOU UP, WHAT SHOULD THEY SAY TO GET YOU INTO BED?

I saw you in *Club International*, come back to my place where me and my two friends will satisfy your every need! Or, failing that, if a guy is into me then he should treat me right, buy me a drink, tell me how hot I am and how horny I make him feel just by being there. And if I'm into him as well, then he can just sit back, hold on tight and enjoy the ride because I will drain him like a bottle of stout! ♣

THE PRESETS

Apocolypso (Island)

The Sydney based duo's second long player was released in Oz back in April and reached #1 in the album charts

but will it hit the spot in the northern hemisphere? Imagine Depeche Mode wrestling crocodiles with The Faint at a BBQ pissed up on Fosters and you're in the right campsite. Klaxons girls will love it – just mention "electro" and they'll be jamming two fingers inside themselves before you can even get your cock out.

The Very Best Of Sizzla Kalonji (Greensleeves)

ONE NIGHT STAND

Club chats to One Night Only drummer and North Yorkshire lad Sam Ford...

What jobs have you done in the past and did you pull any girls there?

Before the band became a full time thing I used to work in a pub with Dan, our bass player. It was pretty good at the time and we both learnt quite a lot. I did a lot of work in the kitchen so I learnt how to cook which has been useful – women love all that stuff. Smelling of food isn't the best for pulling...

Especially true of smoked mackerel. Have you ever knocked anyone out?

Never been in a proper fight and I hope it stays that way – not really my thing. Once, when I was little, I was wrestling with my brother and he hit his head on the end of the bed which knocked him out so I guess that counts. He's fine now.

They all count, mate! What is the best thing you have ever stolen?

I don't think I'd make a very good thief – I don't do

sneaky very well. As a band we've managed to gain a fair collection of stolen mics and leads and that but we aren't overly rock and roll. The only time we trashed a dressing room we got away with it without the police being called and we got invited back to the venue on our next tour!

Tell us your fave fishing story.

I remember watching George and his mates fishing in this huge lake near our home last summer when we were supposed to be practising. He was in the middle of the lake in this little blow up dingy and caught a pike which proceeded to drag him and the dingy around the lake. It got away.

Stupid boy! What was your biggest ever fuck up?

My biggest on-stage fuck up was thankfully a long time ago in some pub somewhere ages before we were signed. I just forgot what I was supposed to be doing and sat there at the

back keeping time on my hi-hats shouting to Mark, "I don't know what to do, I don't know what to do!" He told me to hit my snare once, I did, and then I remembered the rest and we finished the song. Sorry, I can't come up with anything bigger than that.

It's alright pal. Have you ever had any nasty accidents?

I once ran over a man on his moped which was pretty bad. He pulled out in front of me and I hit him side on and then he came up onto the bonnet and slid off the front as I stopped. I got out of my car and started shouting at him. It messed me up for a bit – I'd only been driving a few weeks when it happened.

Classic! Where is the greatest place on Planet Earth?

North Yorkshire! I've been to some pretty cool places on holiday around the world but I don't think I'd enjoy them

as much if I was to live there. And North Yorkshire, especially around where I live, is a beautiful place. I always enjoy coming back here after tours just to chill out. I'm looking forward to going to Japan though and I'm sure I'll holiday in some more amazing places so we'll see if my opinion changes over time.

I'm sure it will! Cheers Sam – good luck mate.

ROCK BAND

(MTV Games) Xbox 360, PS3

★★★★★

You know that sad dream you've been fantasizing about, the one where you're the lead guitarist/bass player/drummer/vocalist in a major rock band? You know how your not being able to sing, play the guitar, hit a drum kit or clap your hands along to the beat has been holding that dream back all these years? Well fret no more, Rock Band is here to change your life for ever. Taking up where Guitar Hero left off, by adding the rest of the band (yes, you get a drum kit and a mic!) into the mix, playing Rock Band is as close to being in a real band as it is possible to get without actually learning to play an instrument. Put it this way, when you've necked six pints and have staggered home from the pub with your mates, instead of jamming your fave rock tune into the stereo, jam this into the console instead, strap on your instruments and fucking rock out till the neighbours have called David Geffen and demanded he get on a plane today to catch your amazing act! After pub game of the decade – no mistake!

RACEDRIVER: GRID (Codemasters)

PC, Xbox 360, Playstation

★★★★★

Certain gaming genres are so cluttered with dross it's almost impossible to make people care, racers being in the top three of those.

Not so *Racedriver: Grid*, which takes up the challenge laid down by Project Gotham Racing and flexes its axle-greased muscles in a purely macho way to produce one of the sexiest looking racers we've seen in years!

We could yada on about all the specifics but that's for nerds. All you, our brothers in pub-based manliness, need to know about is the awesome Flashback action – fuck up a bend and wrap your car round a tree and you can rewind to the moment you actually fucked it up and do it all again, ridding yourself of the wanky curse of the race re-start and making *Racedriver: Grid* gameplay-tastic!

BATTLE OF THE BANDS (THQ)

Nintendo Wii

★★★

If twatting about with a dinky plastic guitar à la Guitar Hero/Rock Band is a bit too embarrassing for you, check out THQ's new music fighter, *Battle Of The Bands*. Take the same concept, bashing buttons on the beat, replace the button bashing/fret widdling with Wiimote swinging, add some smart weapons and an opponent and you've got the basic model. Imagine you're playing street fighter with a conductor's baton. Or Guitar Hero with a laser-guided guitar. It's at first very simple, but once you've got to grips with the combo possibilities, your defensive timing and the multitude of fuck you up attacks, the possibilities are endless. Ignore the solo adventure game and concentrate on the multiplayer aspect, that's where the fun lies, in thrashing your mate and remixing his Mamma Said Knock You Out rap attack into a country tune fit for Johnny Cash!

GAZUMP MY CLUMP

When my girlfriend Jacky and I decided to move in together, we fell in to a life of hanging out in estate agents every weekend. We weren't looking for anything special, just a mid-range one-bed flat. However, as estate agents always do, we were constantly being encouraged to pay that little bit more than our budget. One day, an agent called us to tell us about this "amazing flat that we just had to see".

Intrigued, we went down to his office and he told us about a new

"We were nothing but an indistinguishable mass of fuck flesh"

development that was now available for viewing. He had to run to another viewing, but he gave us the keys and said he'd meet us there in an hour.

As soon as we got there we could see that it was way beyond our means. It was one of these flash complexes with its own gym and huge balconies. We decided to have a look anyway – it's not every day someone gives you the keys to a palace! It was incredible; kitted out with the best furniture and plush carpets. As we walked into the bedroom and saw the kingsized bed I had a

sudden realisation that we were all alone...

It was a hot day and Jacky was looking fantastic as usual, her pert arse barely covered by her wispy minidress, and her long black hair flowing down over her shoulders leading down to her deep, lightly tanned cleavage.

Instant lust overtook me and I took her into my arms and flung us both into the middle of the massive bed. Her shocked face was a picture but she soon realised what I was up to. I kissed her hard and she responded enthusiastically, spreading her legs beneath me and pressing her groin into mine. My cock hardened as she ground her cunt against it, bucking her hips up hard.

The heat and naughtiness of the situation must have got to Jacky because she started to get wild – she undid my trousers then scrambled them off me with her feet, freeing my hard cock. Then she reached down between her legs and yanked the gusset of her thong aside, exposing her shaved mince. I knew what she wanted and I obliged, finding her hole and sliding my cock in her, balls deep. She half moaned, half screamed, her cries echoing around the cavernous, empty flat, and I started to shaft her in a slow juddering rhythm, listening to her every grunt as I filled her tight pussy. Her long nails scratched up my back urging me on and we

sped up, until we were nothing but an indistinguishable mass of fuck flesh.

I saw Jacky glance over to the side of the room and followed her gaze. There was an en suite bathroom with an enormous walk-in shower. Withdrawing my cock, I took her by the hand and led her in. We turned on the shower and stripped off the rest of our clothes. Stepping under the warm jets, I began to soap

“I kissed her hard and she responded enthusiastically, spreading her legs beneath me...”

Jacky's fit bod all over, sliding my hands over her gorgeous 36D titties and feeling their impressive weight in my hands. She went down to her knees and took my cock in her mouth as the water cascaded over her head, her soft lips teasing my bell-end and taking me deep inside.

Standing up, she pressed herself face first against the shower wall and arched her hips so that her cunny hole was peeking out from between her butt cheeks. I pulled up close and

sheathed my shaft up inside her once more. The animalistic fucking continued at a frantic pace; Jacky was moaning so loud I was glad the building was empty. I began to feel her fanny walls quiver as she came, and could take no more myself. I pulled out and shot wads of thick spunk all over her arse, which was instantly washed away by the powerful shower jets.

Finally remembering where we were, we quickly dried ourselves on the plush towels in the bathroom and dressed. We headed towards the door and the estate agent was walking in as we approached. I was dumbstruck, but Jacky just brushed past him, dropped the keys into his hand and said, “Sorry, not our sort of place”. God knows what he thought – seeing as we both had soaking wet hair and there were two sopping towels in the bathroom!

REAL CLOSE FRIENDS!

Last Friday, I met up with my best friend Emma and her new boyfriend, Matt, at a bar in the centre of town. I hadn't met Matt before, but had heard great things about him from Em – in particular how good he was at fucking as she'd told me he had an extraordinarily hard cock. With this in mind, I felt sure a good night of fun, drinking and frolicking lay ahead.

As I arrived at the bar, I found them both sitting in a corner drinking wine so I ordered another bottle and joined them. A few hours later, we'd all had a fair bit to drink, flirting outrageously with each other. Em and I had kissed before though it had never gone any further, but as Em returned from dancing she flung her arms around me and kissed me full on the lips in front of Matt.

I didn't move and instead enjoyed her eager tongue exploring my mouth. As she pulled away we both noticed Matt staring at us with a huge grin on his face. He suggested we take this back to his place and promised to show us a good time. I looked at Emma and new that she wanted it just as much as me...

Back at Matt's, with another bottle of champagne open, Em and I took up where we left off, kissing on the sofa. This time, she asked me to undo her top. Her tits bounced in front of me and I dipped my head to taste her nipples, feeling them harden in my mouth, all the time aware of Matt's intense gaze.

In an authoritative manner Matt said, "I want to watch you take off Em's jeans."

I did as he asked and moved my hands to her trousers, tugging them open and pulling them down her legs. She stood in front of me in just her knickers and heels.

"Taste Em's pussy," Matt commanded. I gently pulled her pants down. She stepped out of them and lay back on the sofa, opening her

legs for me. I knelt down and pushed her thighs open wide enough for Matt to see and, parting her lips with my fingers, tasted her juice.

She was so wet. As I explored her sweet pussy with my tongue she started groaning.

"Can you play with me?" Emma asked. "I want Matt to watch you wank me."

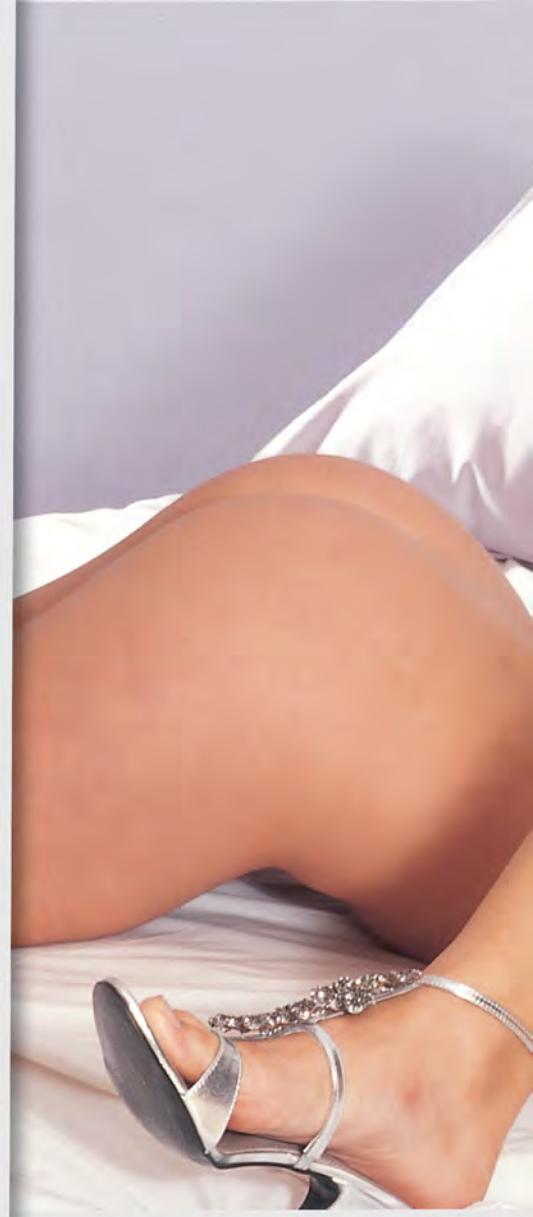

I could feel her hips pushing against me so I slid a finger inside her as I sucked on her clit, then a second and a third until I was fucking her with my fingers and mouth, her pussy gushing with musky juice. At this point Matt was behind me and he had become quite vocal.

"I want to see you both naked now, licking each other's pussies for me."

He unbuttoned my shirt and grabbed my big tits, pinching my nipples until they were really hard. I was so wet I pulled off my skirt and knickers hurriedly as Matt placed one hand on Em's cunt and the other on mine, pulling us together so we kissed as he stroked our pussies.

"I want you to bend over and lick your best friend's pussy," Matt commanded, his dick twitching between his legs. I knelt between Emma's thighs and buried my

"I want you to bend over and lick your best friend's pussy"

on her clitty. When she had come down from her reverie, Matt pulled out of me and sat back in his chair. Em and I moved over to him on our hands and knees then, with her kissing him, I bent my face over his lap, taking his cock in my hands. I held it tightly and covered his head with my mouth, licking the tip with my tongue, teasing the pre-come leaking from the end and kissing his tip. I then slowly took him in my mouth until he hit the back of my throat and started sucking him rhythmically, my tongue lapping the underside of his hardness. I felt Emma move and her face came down beside mine, so I let go of his cock so she could suck him too, and we took turns on his dick until he exploded come all over our faces and mouths.

face inside her sweet slit, feeling Matt move as he positioned himself behind me, his hard cock pushing at my arse as his fingers pulled at my clit. He buried the whole of his big, juicy cock inside me, filling me right up, then slapped my arse cheeks with each thrust.

With my arse stinging and Matt fucking me so intensely, I made Emma come, my three fingers deep inside her cunt, my thumb and tongue dancing

This went on until none of us could muster the energy to come again but we're due out again soon and I can't wait to play with my best friend's pussy and her boyfriend's cock!

RATINGS: ★ STRIPEY TANKTOP ★★ CARDIGAN ★★★ POLYESTER ROLLNECK ★★★★★ JUMPER ★★★★★ CASHMERE SWEATER

The Orphanage (Optimum Home Entertainment)

This Spanish offering from director Juan Antonio Bayona (and 'presented' by Guillermo del Toro) got some pretty exceptional notices when it hit the big screens earlier in the year, with just about everyone going on about what a terrifying horror it was. To be honest, though, this is far more of a ghost film in the tradition of *The Others*, and even *Dark Waters*, than an out and out horror. Not that it's any the worse for that, of course, and creepiness builds very effectively to a chilling but moving conclusion. Belan Reuda stars as the former orphanage girl who's returned to the place to set up a children's home of her own, only to find herself embroiled in a search for her vanished child and meeting up with some unexpected old friends. ★★★★★

To win one of five copies, simply tell us which Orphan kept warbling on about 'Tomorrow'. Send your answers to 'Club's Orphan Comp' at the usual address, to reach us no later than August 22nd.

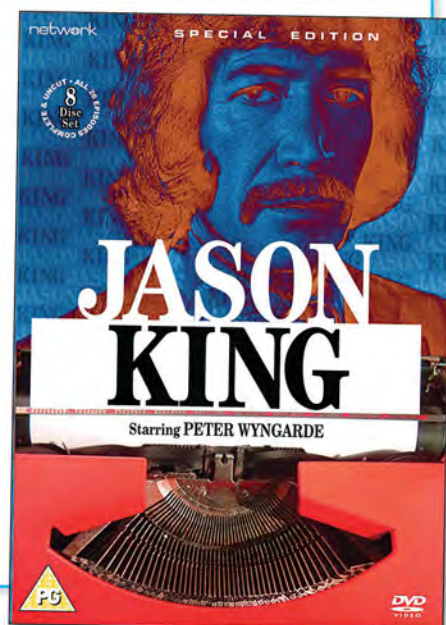

X-Files Essentials (20th Century Fox)

Ah, the carefree days of the 90s – when instead of bird flu (Erm, who's still worried about that? – Ed.), global economic meltdown and coming last in the Eurovision, all we had to worry about was the planet being run by some sort of alien conspiracy thanks to Mulder and Scully unearthing one horror after another! It all seems an age ago now, but the X-Files were massive in their day (even inspiring jungle honey Cerys Matthews to song), and the show deserves an occasional revisit. So why not pick up this – 6 hours of top episodes selected by series creator Chris Carter? Yes, it's a bit tweeby, but none the worse for that. ★★

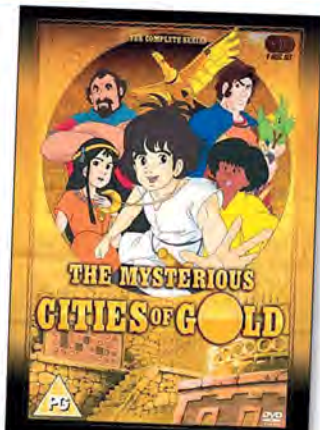

Jason King (Network DVD)

And making it a double bill of nostalgia-based cult classics comes this ITC-produced spin-off from *Department S*. There can't be many people who remember watching it originally (it only aired from 1971-2), but it's had a few repeats over the years and built up a following from there. Peter Wyngarde stars as the ludicrously attired hero, a pulp fiction writer/secret agent who always seems to get his man in the end. Ahem. So if campy comedy with a groovy soundtrack, a dodgy barnet with a zapata moustache and a leather jumpsuit sounds like your bag, you're in! Just don't get caught with it down the public lavs... ★★

Mysterious Cities of Gold (Fabulous Films)

Back in the day a slew of odd Japanese/French cartoons towered over the rest of children's television like a creepy uncle in a cloak and a fedora. There was *Ulysses 31* and *Dogtanian*, but this was the pick of the crop. Following the story of young Spaniard Esteban as he finds himself trekking off with the Conquistadores to plunder South America, there's less carnage than might be historically accurate, but this is more than compensated for by the dazzling solar-powered technology of the Americans. Dazzling stuff, really – and this set features posters and all sorts, making it a real labour of love. ★★★★★

Fifth Gear: Supercar Collection (4 DVD)

Tiff Needell might have a bloody stupid name, but then he's also got a bloody great job (and that's from someone who works on *Club International*!), and while his *Fifth Gear* show may be stuck on Channel 5, he's not letting it cramp his style any. This DVD pulls together all the tastiest motors from the show, with the ever grinning Tiff hooning around in one ludicrously overpowered set of wheels after another. They're all here – the Enzo Ferrari (which he flogged harder than the company wanted him to), the Bugatti Veyron, Lamborghini's Gallardo... why it's like *Club*, but without the twats. They're still on *Top Gear*. ★★★

Love in the Time of Cholera (Momentum Pictures)

Gabriel Garcia Marquez's 1985 novel cemented his international reputation, and it's a little surprising that admirers have had to wait over 20 years before a big screen adaptation's come along to follow it up. Still, what this film lacks in opportunism, it makes up for in pedigree, with Marquez himself adapting his story for the screen, and British Director Mike Newell of *Four Weddings* fame adding a steady hand at the tiller. Now, while the guys might want to watch it to see how Javier Bardem follows up his show-stealing *No Country For Old Men* turn, this is a thoroughly romantic tale that is more likely to please the ladies! ★★★

Bloodbath at the House of Death (Nucleus Films)

Remember when *Scream* came along and everyone got excited about horror films parodying themselves? Well, listen up, bub – horror films have been spoofed ever since they began, and way back in the 80s the spoofs looked a bit like this. Featuring a cast that reads like an early 80's *Who's Who*, the likes of Kenny Everett, Gareth Hunt, Pamela Stephenson (going topless!) Clio Rocos and horrormeister Vincent Price all lend this schlocky piece of nonsense their particular talents, while the script (by Barry Cryer) leaves no gag unturned. Believed lost for years, this film has finally turned up – sadly just like the toes of many of its stars. ★★★

Carlsberg Special Brew

What...

Do you really have to ask? Special Brew is the jewel in the crown of Denmark's Carlsberg brewery. With an alcoholic content of 9%, it's one of the strongest beers available in the corner shop, and has unsurprisingly become quite the best-seller as a result. Some might argue that its strength means it's really a barley wine rather than a beer, but as far as we're concerned, if it comes in a tinny, it's beer!

Why...

Back in the darkest days of WWII, poor old Denmark took a bit of a pasting under the heel of the Nazi jackboot. Thankfully in 1944 Britain and America set about liberating Europe, and the Danes were finally relieved of the Hunnish yoke. By way of saying thanks, the brewing bods at Carlsberg decided to knock up an extra strong lager and in 1950 send a couple of crates to recent visitor Winston Churchill! Okay, so it's not quite the blood, toil, sweat and tears our lads went through, but we still say fair play to them!

Where...

Well, initially of course, in the grand drawing rooms of Blenheim whenever Winnie and Clemmie toasted their victory in the big show, but since then SB's become a bit more popular with the masses, so festivals, street corners, under railway bridges... they're all good.

When...

After a visit to a liberated and grateful nation – or simply after a visit to the corner shop.

How...

Carlsberg are rather eager to point out that SB should be drunk responsibly, but seeing that this is practically impossible with a lager that gets you smashed after only two or three cans, the most practical answer is probably 'irresponsibly'.

Who...

Winnie, Clemmie, assorted tramps and travellers, festival-goers and anyone else whose budget won't stretch to more than a couple of cans. Oh, and sophisticated Danes who for some reason think of it as a rather refined tipple.

PEACHES

It's the only place to find all of your bum banter and tales of backdoor fun – every month!

ANAL ANGEL

There is nothing I like more than ramming my hard cock up a lady's poop chute. The tight fit, the way she squirms and wriggles – it just makes me happier than being the filling in a blow-job sandwich! Luckily, my bird Gill is fond of a poke up the old back door too. She just loves it – it makes her feel dirty as hell.

Recently we were on a day trip to Brighton, it was a warm Spring day so we did a bit of sitting around on the beach in our skimpies, snogging just like kids. We were just getting raunchy enough to attract a few "tuts" from passing old farts (well, the tent in my trunks was fairly prominent by this time), when the sky darkened. Before you knew it, large drops of rain began to cascade from the sky.

We grabbed our clothes and scarpered to the nearest open door, which happened to be a guesthouse. Still horny from our beach exploits, we decided to get a room and we booked in.

"Her arsehole was like a velvet clamp, clutching at my cock as I worked it in and out..."

Once in the room, Gill slammed the door behind us, stripped me naked, and then pushed me back in a chair by the window and took my rock hard cock in her mouth, licking slowly round my bell-end whilst staring saucily straight at me with her big brown eyes. I pulled her up, whipped off her bikini bottoms, then thrust her dark bush straight into my face. I slid first one, then two, fingers into her steaming snatch. Gill started to writhe and moan, and, unable to keep her balance, grabbed hold of the sides of the window behind my head, framing herself naked, for all the world to see.

Building up the pressure and intensity of my licking, I withdrew my fingers from her pussy and started to slowly circle her taut arsehole. She let out a loud groan and pulled closer to the window, her 34C titties flattened against the glass. Her ring trembled under my touch, and slowly I slid a pussy juice-lubricated finger into her brown tunnel.

Carefully moving myself out from beneath her, I slipped in behind her and pressed my face between her butt cheeks, taking in the warm

smells of her cunt and arse. Standing again and spreading her cheeks, I began to slowly nudge against her bumhole with my rock hard cock, taking tiny movements deeper inside as she whimpered and pressed herself against the glass. Her arsehole was like a velvet clamp, clutching at my cock as I worked it in an out at an ever increasing speed. She reached down to rub her clit again, and I felt her muscles relax. My cock was like

TOM THUMB

Let's just say my name's Katie – I'm 22, very slim, with long blonde hair and (I like to think!) a really cute pair of tits. And I thought my boyfriend, Tom, was pretty-straight laced until last Wednesday when we got back from a night out in town.

The relationship is pretty new so I have been taking things very slowly. On the night in question,

“My cock was like a piston, ramming home time and time again, Gill yelping each time...”

a piston, ramming home time and time again, Gill yelping each time I got balls deep. I could feel my orgasm welling inside my nuts and pumped harder and harder until I could take no more, whipping my knob out and chucking gobs of thick spunk all over her arse and up her back.

Gill peeled herself off the window, leaving an impression of her tits all over the glass. Something interesting for the cleaner to find in the morning!

Billy D, Hove

however, I wanted to spice things up a bit with some hardcore arse sex – but was he that experienced? Only one way to find out – put him to the test.

I had been getting him quite aroused during the course of the night – so much so that we had met in the toilets at random intervals during the evening for a little play, so my pussy was already wet. I couldn't wait to feel his fat dick pushing up my arse...

Once inside my flat I was quick to go to the bedroom, alone, to prepare... I stripped down to my knickers and stockings – Tom loved looking at my bare arse bent over the bed, my thighs clad in stockings...

"Tom, come in here, I've something for you!"

As usual, he was there in a second, with a bottle of wine and two glasses.

"Wow, you look fucking hot!" he marvelled.

"I know, now come here and lick my tits – I love it when you do that, you dirty boy," I growled. He liked me to take control at the start of a session, it guaranteed a nice stiff dick every time! Tom came straight over and started licking and pinching my hard nipples.

"Get naked babe, I want to see your hard cock," I said, urging him on. He was quick to take off all his clothes – he was already so hard standing over me I just had to suck his cock.

Rolling my tongue around the top, I started slowly and worked my way down to his balls. Lapping away, I grabbed the base of his cock and started wanking him off, my hand barely squeezing him. I glanced up to look at his face – he was loving it. I stopped blowing him before I sucked all his come from his balls too soon and moved my body so that I was on all fours in the middle of the bed with my peachy arse sticking up in the air. "Come around the back of me and play with me, babe," I whispered. Tom

"Come here and lick my tits – I love it when you do that you dirty boy..."

moved around the bed, grabbing my hair and running his hand along my back to the curve of my arse. His fingers soon rested on my clit, softly tickling my button. He rubbed slowly and gently up and down my pussy before he pushed my lips out slightly so I was completely exposed. His fingers were moving faster and faster, wanking my clit tighter, and I was finding it hard to stay in control. I'd waited long enough. "Tom, I want you to play with my arse, babe. Would you do that?"

He grinned at me and said, "I have been waiting to do that for such a long time, sweetcheeks. Of course, anything you want."

His thumbs moved around my cheeks, coming to rest mere millimetres from either side of my hole. I felt him lean across and he started licking me around my ring.

I wasn't expecting him to be so ready to be so dirty. Fuck, it was amazing though – it took all my strength not to push my arse right into his face and demand a fucking! Tom's thumbs slowly pulled my arse cheeks apart and he

started to circle my ring.

"Do you want it babe?" he asked, sliding into a dominant roll. "I want to hear you say what you'd like me to do?"

At this point I could hold back no longer. "I want you to lick, suck, finger and fuck my arse right now!"

Tom slid his thumbs in and out of my arse. He held his cock and pushed it into my pussy hard whilst playing with my arsehole. I pushed back against him, arching my back and sticking my bum out for more. I loved it – both my holes being filled at once! But then Tom withdrew his cock and pulled it over my arse. He started pushing it up against my ring, "Push back, I want to fuck your arse but have to know you want it," he said, demanding as ever.

"I want you to fuck my arse and I want it right fucking now!" I screamed. My cunt was so juiced up and my arsehole so open all I wanted his cock fucking it deep while he fingered my quim. Tom started sliding his thick truncheon

in slowly, then dipping in and out further and deeper until he built his speed up to the level of hard fucking I was gagging for. His hands were around my cunt and he had pulled my labia apart and was rubbing it lustfully, randomly pushing his fingers inside and spreading them apart, like there were two small dicks in my pussy and one fat one up my arse. His cock was right in now, pushing really hard. Within an instant I had lost all control and was coming all over his hands, pushing onto him for more. Tom rammed up inside me one more time, then withdrew and spurted all his spunk over my arse cheeks – there was loads of it all over my cheeks and up my back, some had pooled on my anus and I reached back and toyed with it, rubbing it into my arsehole as Tom collapsed on the bed next to me.

"For an anal virgin you were amazing," he said. I can't think who gave him that impression but perhaps next time I will not be quite so much reserved!

SCRUFF JUSTICE!

Wondering what to watch now Britain's Got Talent has finished? Well, there's plenty more talent here...

RATINGS: ★ GREEN BOTTLES ★★ WHITE MISCHIEF ★★★ BLUEBIRDS ★★★★★ SCARLET WOMEN ★★★★★ RED HOT ACTION!

Scarlet Women (Harmony)

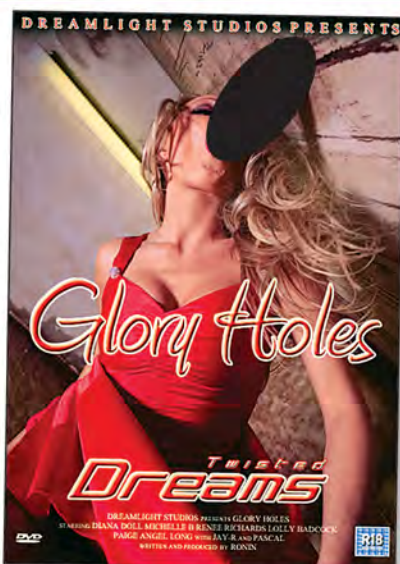

Nobody could accuse Harmony of not making the most of a location when they get their hands on it – this film's got more than a bit in common with one or two of the Young Harlots series. Still, nobody watches smut to check out the billiard room or the dining table, so we'll let it pass. Only four scenes are on offer, but they're all pretty long and, well, good. When a saucy blonde sticks a diamond butt plug up her jacksie and gets to grips with a couple of cocks you know you're in for a good evening, and with the anals, DPs and lesbo lunacy to come, you're not wrong. Retro/fetishy styling add to the mix to make this a strokeworthy offering. ★★★★★

Glory Holes – Tainted Dreams (Dreamlight Studio)

We thought glory holes were a bit on the gay side, but thankfully the mouths on the other side of the hole in this flick all belong to eager young cock smokers, including Brit talent Renne Richards, Michelle B, Lolly Badcock and Angel Long. Strangely enough, the first scene is a girl/girl featuring a whopping strap-on, but honestly – who'd poke a fake cock through a hole in the wall? Still, after that it's real cocks all the way, and our heroines slurp off and fuck one stranger after another in the bogs. There's no anal to speak of, and the lighting's on the moody side, but this is still raunchy stuff, and the UK talent's on good form. ★★★★★

Stoya: Sexual Freak 7 (Digital Playground)

Stoya's the alabaster-skinned newbie at Digital Playground, and she's clearly gone down a storm because here she is getting her own feature. Things kick off with her finding a gagged and handcuffed stud on her sofa, who she liberates in return for a good pronging. She's so pasty the jizz hardly shows up on her arse, but it's still a strong opener, and busty blonde Riley does a good job too, getting in the middle of a spit-roast and finishing with a nice tit-wank. Franchezza's up next, employing a hairy crunge that harks back to the golden era of scruff. A DP and an interracial follow, before Stoya rounds it all off. Classy stuff. ★★★★★

JODY

RED HEAT!

*Red, it's a warning sign
– warning: fit young
babe needs fucking!*

PHOTOS: EXPOSUREZONE

Red. It's official – red is the hottest, most sexy colour for the season. Now we don't usually like to come on all heavy about fashion, but then it turns out leggy Jody here is quite the one for fashion, what with her having pranced up and down a good few catwalks in her time. Mind you, it's hard to imagine her looking much better in any of those outlandish haute couture outfits she's no doubt sported than she does right here.

Take a look at her. Imagine she's walking down your street in nothing other than her red jersey and little white skirt. Are you trying to tell us you wouldn't wrench your neck off as she waltzed past you? Of course not! And you know why that is? It's because of the red top she's got on – no, seriously, it's got nothing to do with her being so sexy you could bust a nut over her face fifteen seconds after you'd seen her... ♣

PAMELA

TROPICAL HEAT!

*Which is hotter, this incredible
tropical island or this
incredible tropical babe?*

PHOTOS: M. ANCHER

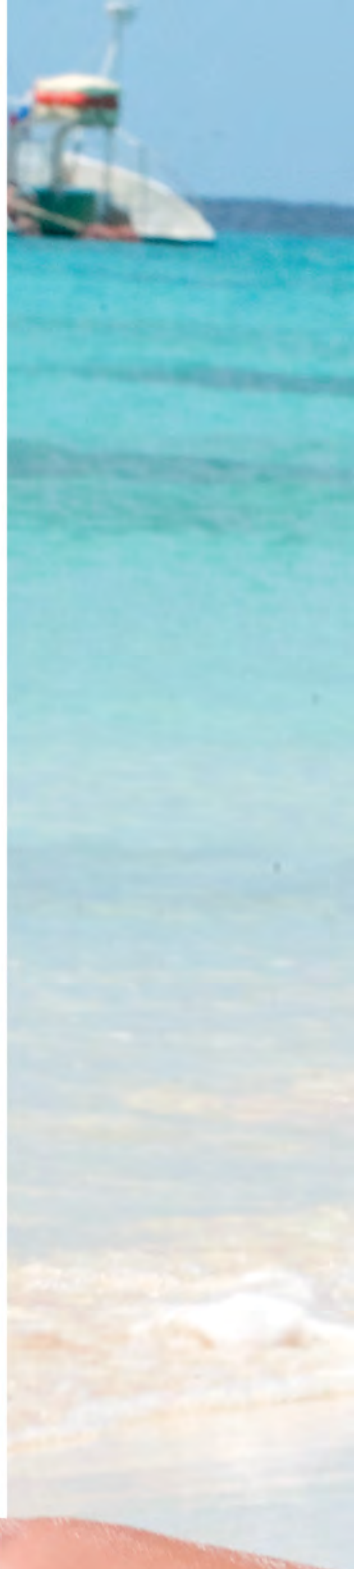

This is exactly what they don't tell you about in the holiday brochures for tropical islands: there's always a chance there's a porn shoot going on down on the beach. Which is probably a good thing, wouldn't you say, Pamela?

"What, it's a good thing that there aren't loads of tanned, fit young guys around here getting boners inside their swimming trunks because of me? Speak for yourself – if it were up to me I'd have them all lined up in a row along the shoreline waiting for me to come along and sample them one by one!"

You see, swap that bit about fit young guys with fit babes and we'd be right there with you, but as it is we'd rather soak up the sun's rays than anything else you might need a cloth to absorb, know what we mean? ♣

INVASION OF THE FANNY FACES!

It's a New Year's Eve fancy dress party, so why not dress up like a cunt and get fucked out of your face... or in it!

MY OTHER BIKE'S A BIRD

Listen love, I told you when we first started seeing each other, the mountain bike sleeps in the tent, the town bike sleeps outside.

DR FUK YU AZWEL

It's not clear here whether they mean a lady's front bottom or that twat above...

FLIP 'EM THE BIRD!

Fuck you I won't do what you tell me - squawk!

SLING ONE ON THE BAA-BE!

Is it the sheep, the glasses or the shirt that make this man look a twat?

LAUGHING AT THE AFFLICTED

You think it's funny to turn up to a fancy dress party with a cunt for a face and then you meet a man with a real one...

BLONDE AMBITION

Cute and brainy, brilliant! Oh, hang on love, that books upside down...

NEVER A TRUER WORD...

Sales of lager lip balm went through the roof that summer of '23.
